- **Selling Notes & Optional Script** This is a simple “selling” script to assist scouts who would like some guidance in selling door to door. After a few doors this gets easier. It’s just a guide or suggestion. You may modify your ‘sales pitch’ as you like.

- **All scouts must wear their Class A shirt when selling.**

Hello. Good morning.

- My name is \_\_\_\_\_. I am member of Boy Scout Troop 177 in Canton. We’re running our Annual Wreath Sale to raise money for our troop. This money helps cover the cost for our campouts, equipment and other troop outings.
- Our wreaths are hand made in Maine with 100% fresh balsam, they are double sided and decorated with berries, pinecones and a big red ribbon.
- We have three wreath sizes for you to choose from. Small, Medium, and Large.
  - Size A in about 22” in diameter and traditionally is our biggest seller.
  - Size B fits a larger door or is great for garages and porch walls.
  - Size C is great for barns, peaks of houses or walls of larger buildings.
- Which size do you think best fits your need? How many would you like?
- It is our Troop’s preferred policy to **collect payment today** with cash or check. (Checks to be made out to “BSA Troop 177”). Unfortunately, we are unable to accept orders today without payment. If you prefer, you can also place your order and pay on-line at the link on this flyer (share flyer with customer).
- Delivery - We will be delivering all wreaths in late November. If you have a hook on your front door, I can deliver the wreath on your door even if you are not home.
- **DONATIONS.** By the way, if you don’t want to buy a wreath, might you be willing to make a tax-deductible donation to our Troop? We would appreciate any size donation you feel you would like to give.

Many front doors in our area are 32" or 36" inches wide.
